Skill Set

- Frontend Technology   :   HTML, CSS, JS
- Programming Language   :   SQL, Python, Django
- Development Tools   :   VS Code, SSMS, Git VCS
- Data Analytics Tools   :   Power BI

Professional Experience

Techfer Global Pvt. Ltd.   **Mar 2024 to till date**
Designation: Trainee
Role: Data Analyst

- Utilizing SQL Server Management Studio (SSMS) to interact with AdventureWorks database, executingqueries, designing schemas and manipulating data across tables, views and stored procedures.

Itvedant Education Pvt. Ltd.   **Nov 2023 - Mar 2024**
Designation: Intern
Role: Developer

- Skilled in database design, SQL query development, and relational database management for optimizing student information retrieval processes.
- Proficient in data manipulation and advanced SQL operations for effective student information management within organization.

Projects

1. **Superstore Sales Dashboard |** LINK
   Tools: Power BI, MS Excel

   - Applied time series analysis methods to analyze sales data, enabling accurate forecasting and strategic decision-making.
   - Developed interactive dashboard using tools like Power BI to visualize insights, supporting businessstakeholders in understanding trends and making informed decisions.
   - Utilized advanced statistical techniques to extract valuable insights from data, contributing to business success through data-driven strategies.

2. **HR Analytics Dashboard |** LINK
   Tools: Power BI, MS Excel

   - Analyzed HR data to identify critical insights into employee turnover, revealing high attrition rates among Life Science and Medical backgrounds, particularly in the 26-35 age group.
   - Discovered that lower salaries (up to $5k) and specific job roles like Laboratory Technicians and Salary Executives are major factors in turnover, guiding targeted retention strategies.
   - Highlighted the importance of improved onboarding processes and long-term career development, noting attrition within the first year and around key milestones (5 and 10 years).

Education

- Bachelor of Engineering (Computer) with Distinction from University of Mumbai – May 2023
